## **Red Rocks Options**

At Red Rocks Community College, we offer a wide selection of scheduling and classroom learning experiences to fit your schedule. Whether you work full time, are a parent, or would like to complete your degree faster, we offer a large variety of alternative course styles such as Accelerated, Red Rocks Online, Hybrid, Self-Paced, Service Learning, Weekend, and CCCOnline classes. With these options, you can tailor your education to your busy lifestyle and learning preference. To learn more about Red Rocks scheduling options contact us at 303-914-6702 or [options@rrcc.edu](mailto:options@rrcc.edu). You can also find detailed information by visiting us at [www.rrcc.edu/options](http://www.rrcc.edu/options).

**Note: Make sure you review the course listings in this schedule for the complete course and fee information.**

### **Accelerated**

An accelerated course takes the content from a traditional 15-week, 3- or 4-credit class and compresses it into a shorter time frame. Accelerated classes are 3 or more credits and meet for less than the traditional 15-week semester. Classroom and online classes are available. Accelerated classes are designed to meet the needs of busy professionals and students with active lifestyles.

### **Hybrid**

Hybrid courses at RRCC are courses that combine on-campus classroom instruction with online learning components and/or out-of-class activities. Hybrid learning is for students who wish to combine the flexibility of face-to-face instruction with activities such as online collaborative discussions, group projects, and/or other out-of-class assignments. In a Hybrid course, traditional face-to-face instruction will be reduced but not entirely eliminated. Internet access and an email address are required for the online course activities.

### **Red Rocks Online**

Courses through Red Rocks Online are taken anytime, anywhere at your convenience. Most courses follow a 14 week semester schedule, and many also have accelerated seven-week online sections. They offer regular communication with faculty and fellow students who may be anywhere in the world. At the same time, you learn to use the Internet, and threaded discussions to enhance your learning experience. You can register, pay, order books, attend class, and use library services online. Internet access and an email address are required for the online course activities.

### **Self-Paced**

Self-paced courses provide a high degree of flexibility and the opportunity to complete the academic course at your own pace. Self-paced courses are facilitated by an instructor and are designed to be completed in one semester. Self-paced courses are conducted online using D2L. Students will log into D2L to view the syllabus, list of any required textbooks, and instructions on how to complete assignments.

### **Service Learning**

Service-Learning is a way for students to get involved in the community and to combine experiential learning with classroom learning. The Service-Learning program at RRCC connects community service with academic instruction, focusing on critical, reflective thinking and personal and civic responsibility. Students completing the service project or activity requirements and earning a grade of "C" or better will receive an SL designation on their transcripts. For further information: [service.learning@rrcc.edu](mailto:service.learning@rrcc.edu) or 303-914-6685.

### **Weekend**

Weekend sections generally run Saturdays all day for five consecutive weekends. Weekend sections allow a student to complete college level courses in an accelerated timeline. This format works well for students who work full time.

### **CCCOOnline**

For more information: [www.cconline.org](http://www.cconline.org). Colorado Community Colleges Online is a consortium that combines online enrollment from the 13 community colleges around the state, these courses are not taught by Red Rocks Community College instructors. Many CCCOnline courses require digital access to electronic materials. For applicable courses, digital access is an additional fee. To access your CCCOnline classes, log in to The Rock, available from the Red Rocks website: [www.rrcc.edu](http://www.rrcc.edu).

**Sessions start throughout the semester. Go to [www.cconline.org](http://www.cconline.org) for offerings.** Sign up through Red Rocks Community College for credit.

## GUARANTEED TRANSFER -GT COURSES

The Colorado Department of Higher Education, in consultation with Colorado's public colleges and universities, has developed a uniform general education curriculum that forms the core of most bachelor's degrees and is guaranteed to transfer between all public, state-accredited colleges and universities. Colorado has also developed guided degree pathways, which consist of specific required credit hours of courses from the following content areas: communication, mathematics, history, humanities, natural sciences, and social sciences. Students should always seek advising from the college or university they plan to attend to ensure they are selecting the appropriate coursework for your degree.

Guarantee transfer courses in which students earn a grade of C or higher will always transfer and the credit will apply to GT Pathways requirements in every liberal arts & sciences bachelor's degree at every public Colorado institution.

Please remember to check the following website for the most current updates:

<http://highered.colorado.gov/Academics/Transfers/gtPathways/curriculum.html>.

## **NON-DISCRIMINATION NOTICE**

Red Rocks Community College is committed to diversity in its people and programs. The College is an equal opportunity educational institution which prohibits all forms of discrimination and harassment including those that violate federal and state law, or the State Board for Community Colleges and Occupational Education Board Policies 3-120 and/or 4-120. The College does not discriminate on the basis of race, creed, color, sex/gender, sexual orientation, gender identity or expression, religion, age, national origin or ancestry, pregnancy status, veteran's status, genetic information, physical and/or mental disability or any other category protected by applicable law in its employment practices or education programs. Red Rocks Community College will take appropriate steps to ensure that the lack of English language skills will not be a barrier to admission and/or participation in vocational education programs. The College has designated Arnie Oudenhoven, Executive Director of Human Resources, as its Affirmative Action Officer/Title IX Administrator/Equal Opportunity Administrator with the responsibility to coordinate its civil rights compliance activities and grievance procedures. For information, contact: Arnie Oudenhoven, Campus Box 17, 13300 West Sixth Avenue, Lakewood, CO 80228-1255. Telephone: 303-914-6298.
