AQIP Retreat Prework

Unit 2

In this unit, we will turn to the AQIP Categories and look at processes. We will consider how the Systems Portfolio and Systems Appraisal provide means of reflection and evaluation of our processes.

Objectives (overall objective in parentheses):
   Explain the role of the Categories in AQIP (3)
   Explain what a process is (3)
   Describe a process (3)
   Explain one of the Categories as they are applied to Red Rocks (3,5)

Readings:

   AQIP Systems Portfolio, Read Appendix B, which focuses on the levels of maturity for processes and results.

   Systems Portfolio, Read the Category Overview at the beginning of the narrative for each Category. Then, choose one Category that interests you or relates to your work and read the narrative for that Category.

   Systems Appraisal, Read the summary Category Feedback on pp. 7-11. Then read the feedback for that Category you chose from the Systems Portfolio in Appendix B.

   Unit 2 FAQs (attached): This is a succinct and informative overview of the material for this unit.

Assignments:

   Complete the attached assignment sheet (Retreat Prep Worksheet). We will refer to this during the retreat, so be sure to save it and bring it with you. We won't be collecting it.
