Utilize RRCC Resources

- **The Library:** The library offers extensive print and electronic resources to support the RRCC curriculum. Visit www.rrcc.edu/library for more information.
- **Connect to Success:** Offers navigation and success strategies to reach academic, career and personal goals.
- **Computer access for all students:** All the computers in the Learning Commons are open for use to all RRCC students and staff.
- **Office of Accessibility Services:** Provides advocacy, assessment, direction, learning skills and school-to-employment transitioning for people with disabilities (including learning disabled).
- **Online Writing Center:** Offers strategies and resources for succeeding in any kind of writing assignment, including essays, term papers, and essay exams.
- **Tutoring:** Walk-in tutoring in math, writing, sciences, accounting, and other courses is free for Red Rocks students.
- **The Communication Lab:** This lab is designed to tutor students across the curriculum in all stages of oral presentations. Students can receive help with developing speaking outlines, creating visual aids, increasing confidence in speech delivery.

Visit <http://www.rrcc.edu/lc/> to learn more about the resources available at RRCC.

- **Personal Counselor:** Short-term counseling is offered at no cost to all students enrolled at Red Rocks Community College. Services are available at both campuses and are provided by a licensed therapist.
- **Student Health Clinic:** The student Health Clinic on the Lakewood campus is open to current RRCC students. Services provided include ONE annual physical or ONE well woman exam per year per student, sick visits, evaluation and treatment of common illnesses, minor procedures, preventative healthcare and vaccinations and seasonal flu shots. Please visit www.rrcc.edu/student_health_clinic for more information.
- **Student Recreation Center:** The newly constructed RRCC Recreation Center is designed to provide you with a clean, safe and fun place to work out. Amenities include gymnasium space, weight/cardiovascular area, dance/exercise studios, climbing wall, outdoor fitness deck, showers and locker rooms. Exterior ricochet, tennis, and volleyball courts are also available for student use.
