Fortnightly Nerds Rewards

The opportunity has returned for students to answer a nerdy question for a reward! This fortnight's problem is:

An airplane taking off from a runway travels 3600 feet before lifting off. If it starts from rest, moves with constant acceleration, and makes the run in 30 seconds, with what speed does it lift off? Please show all necessary steps.

All submissions are accepted until March 17th and should be submitted to room 1652 (there is a plastic wall folder in which to place your submissions) All correct answers will be entered into a raffle to receive a \$25 gift card of the winner's choice!

Payment Plans

RRCC continues to offer NBS Payment Plan, however we are no longer able to offer any other payment plans due to state procedures. The deadline for setting up an NBS Payment Plan for the Spring 2017 term is March 9th. There is a \$35.00 set-up fee and a 35% down payment due at the time of set-up. There is no payment plan available after March 9th. You will need to pay in full to avoid a hold. Please contact the Cashier's Office for more information.
