Course Guidelines:

Students will also have an opportunity to earn extra credit.

90% or above = A 80% to 89% = B 70% to 79% = C

69% or below = F

No “D” will be assigned

Important Dates:

The College has deadlines for and conditions under which a student may add, drop, receive an incomplete grade, withdraw, etc. The official College-wide dates will be strictly adhered to in this course. See the RRCC online class schedule for these dates. Withdrawal is the responsibility of the student.

Instructors will NOT withdraw a student for nonattendance.

Drop and Withdraw Information:

Drop with a refund is possible during the first 15% of the semester. Consult a current class schedule or the school calendar website for the exact date. An official withdrawal may also be initiated by the student through 80% of the term resulting in a grade of “W”. A “W” grade has no credit and is not computed in the GPA. If you simply stop attending without officially withdrawing, a grade based on the total points earned will be assigned to you at the end of the term as per the grading policy listed in the syllabus. This will usually result in an “F” grade on your grade report and may not be changed to a “W” once it is issued. Consult a current class schedule for the last date to withdraw and the process to officially withdraw. Your instructor is not able to withdraw you from the course, you must do this yourself.

Important Note:

Withdrawal for any reason after the official term “Drop Date” (first 15% of the term; see RRCC Semester Schedule) will result in the student forfeiting the Colorado College Opportunity Fund (COF) credit in an amount equal to this course's credit hours.

Incomplete and Audit Information:

Incomplete: An Incomplete “I” grade will be issued only if the student has completed more than 75% of the course requirements, and has an emergency that cannot be resolved prior to the end of the semester. An Incomplete “I” is rarely issued and may pose some risk to your GPA. All remaining work must be satisfactorily completed by the contracted date prior to the end of the next semester or a grade of “F” will be issued for the course.

Audit: Students may choose to take this course for audit. Normally, the audit option should be declared at registration; however, students may change their registration from credit to audit up to the current term “Drop Date” (first 15% of the term) published in the RRCC schedule. The request to change to audit must be done on a semester registration form and must receive written recommendation by the Division Dean and must be approved by the Vice President for Educational Services prior to the published “Drop Date”. Once an audit status is approved, the decision is irreversible. Audit grades do not transfer and are not computed in the GPA. Courses taken by audit do not count toward enrollment status for financial aid or veterans' educational benefits. **Important Note:** Audit courses are not eligible for the Colorado College Opportunity

Fund (COF) stipend. Students are responsible for the additional tuition amount per credit hour audited that would normally be covered by COF.

Attendance:

Attendance will be taken at each field trip. It is important that you attend the first field trip! If you do not attend the first field trip, you may be dropped from the class. **If you must leave early during a field trip, it is required that you inform the instructor.**

Students must arrange their own transportation on field trips and, if driving, must have a valid driver's license and state required motor vehicle insurance.

Field Safety Guidelines: (Students are responsible for the following)

No open-toed shoes is recommended.
