CLASS ENVIRONMENT:

- My goal as the instructor is to provide a learning environment that encourages and engages student to actively experience the information. I use different approaches to reach the various learning styles of students.
- As an introductory class, students have different reasons for choosing the course. Therefore, I make my best effort to learn about student needs at the beginning of the course and work to meet those course needs throughout the semester.
- I encourage open-mindedness, appreciation of different opinions, and an active role in learning. With these components in place, we can also have fun in the process.
- It is also a strong expectation that students behave in a courteous and ethical manner toward other students and the instructor. Please be considerate of fellow students and respect the various perspectives, opinions, and experiences that will be presented in our discussions.
- As college students you will take from this class what you put into it.
 - **Cheating** is unacceptable and will result in a failing grade.
 - Likewise, **plagiarism** (stealing another person's work, ideas directly or indirectly and presenting them as your own) is unethical and will result in disciplinary measures according to the college standards. This could result in an automatic "F" grade, expulsion, academic probation, and any other action deemed appropriate by the instructor and Red Rocks Community College administration.
- Students are requested to inform the instructor ahead of time of any situations that may cause you to be away from the course for any period of time. Regular, consistent presence exhibited by participation in discussions according to established due dates and prompt response to student and instructor comments is a course standard. **It is best to email or phone the instructor on the cell phone # noted when you need information in a short timeframe or in an emergency.**

- Demonstrated self-responsibility for all assignments and obligations.
- Being on time; maintaining classroom etiquette; respecting the privacy of other students' business ideas. .

A worksheet will be completed during class activities. Due to the condensed nature of this course, class activities contribute to the completion of the worksheet (final assignment). The worksheet assignment will be turned in on the last day of the course (Saturday). If you cannot be present on

Saturday, but have attended on Friday, students may submit their worksheet to the instructor no later than Saturday, August 26, 2017 midnight via the course email or to donna.armelino@rrcc.edu.

The best way to achieve full credit for your assignments is to have them completed on time and turned in on the due date.
