This requires documenting verified, paid or unpaid occupational experience in the credential area within the last 7 years. For an applicant with a related bachelor's degree or higher the occupational experience is 2,000 hours; for an applicant with an associate's degree, the occupational experience is 4,000 hours.
- The ability to teach in one of the following Computer related fields (Cyber Security, Networking, Computer Science / Secure Code Development, Programming, Game Development, Web Development, Computer System Analyst, Database Administration, and/or Applications)
- Associate's Degree in in Computer Science, Computer Information Systems, Computer Networking, Cyber Security, or a related major (Education, Mathematics, Engineering) from a fully accredited institution of higher education.
- Demonstrated ability to work with students, faculty, and staff from diverse backgrounds.
- Demonstrated ability and willingness to teach students using traditional and alternative methods of instruction.
- Demonstrated ability to integrate technology into the classroom.

Preferred Qualifications:

- Bachelor's Degree or higher in in Computer Science, Computer Information Systems, Computer Networking, Cyber Security, or a related major (Education, Mathematics, Engineering) from a fully accredited college.
- Teaching or training experience.
- Experience in at least one of the following: curriculum development, supervision, instruction, evaluation, and academic advising.
- Fluent in multiple operating systems as well as virtual environments and systems.
- Current industry and vendor certifications (Comptia, Linux, Microsoft, Oracle)
- Membership in or experience working in diverse communities and supporting the success of students and staff from racial, ethnic, and gender backgrounds that are underrepresented in the College.

Description of Position:

- Teach day, evening, weekend, and/or remote or online courses in accordance with approved course of study or outline utilizing traditional and alternative methods of instruction (including computer-aided, on-line, distance learning, self-paced, interdisciplinary, etc.) where appropriate.
- Instruction duties and responsibilities center on teaching excellence, which can include:
 - learning and applying culturally responsive education and inclusive learning environments into classroom instruction and curriculum;
 - demonstrating equity and inclusion skills that are measurable, student-focused, and support equity in achieving learning outcomes;
 - active student engagement that empowers learners to think critically and achieve academic, professional, and personal goals;
 - robust instructional content that is thought-provoking, current and relevant;
 - meaningful assessment and timely feedback related to student progress in achieving learning outcomes;
 - continuous improvement of teaching and learning through evidence-based practices, reflection, innovation, and collaboration; and other College priorities.

Payment information:

Payment is based on the credit hour/contact hour and class ratio as assigned to you by the department chair. RRCC starts at \$840.58/credit hour.

Please note that employment with the Colorado Community College System is limited to in-state residents. Selected candidates will be need to be, or be willing to become, state residents before employment can begin.
