

## **Adjunct Instructor – Emergency Medical Services (EMS) – Red Rocks Community College**

**Department: EMS**

**Position Title: EMS Instructor**

**Position Type: Adjunct Instructor**

### **Red Rocks Community College is seeking a part-time EMS instructor!**

Connect daily and make a difference in the lives of thousands of students working to earn an Associate's, Bachelor's, or a Master's degree at Red Rocks Community College (RRCC). RRCC has two campuses: our main campus in Lakewood, Colorado and our newly expanded campus in Arvada, Colorado. Red Rocks is Colorado's premier community college and the fourth largest in the state, serving over 15,000 students each year. RRCC has an academic journal and a literary journal! Our faculty are a community of active composers.

This position is located on the 140-acre, beautifully landscaped, Lakewood main campus, high in the foothills, with views looking along the Front Range to Boulder and beyond. Just minutes from downtown Denver, with dedicated RTD light-rail and bus stops, commuting is quick and easy. At Lakewood, RRCC offers employee access to an on-campus coffee shop and cafeteria, an on-campus children's center, health clinic, recreational facilities, and in early 2017 will open a brand new 38,000 square foot recreation center, complete with climbing wall, a large gym with basketball courts, state of the art fitness equipment, and full locker rooms to make your transition back to work easy and efficient. RRCC also offers tuition assistance for full-time employees and most dependents, for classes within the 13-college, state-wide Colorado Community College System.

## **Job Summary:**

Teach courses in the Emergency Medical Service program in accordance with college, state, and national policies, standards, and guidelines. Teach day, evening, weekend, and/or distance courses in accordance with approved course of study or outline utilizing traditional and alternative methods of instruction (including computer-aided, on-line, distance learning, self-paced, interdisciplinary, etc.) where appropriate. Coordinate class structure and organization, prepare course materials, demonstrate and maintain currency in the discipline and in teaching methodology, present instructional material effectively, maintain professional and courteous interaction with students and employees, and demonstrate sensitivity to different learning styles. Encourage student engagement and student achievement, utilize assessment data to facilitate student learning, document teaching and curriculum changes based on assessment results, incorporate course, program, and college student learning outcomes into teaching, utilize student retention strategies, integrate technology into course work as appropriate to the discipline. Assist with program and plan development and maintenance, coordinate instructional programs as assigned, review, coordinate, and recommend textbooks and/or class materials. Comply with college procedures pertaining to grading and record keeping, assist in maintaining inventory control of equipment, tools, and supplies required for classes, and in requesting repair and/or replacement for the equipment. Participate in various college, system, and/or professional activities intended to develop the faculty member and enhance his/her ability to teach effectively. Encourage students to engage in critical thinking, reflective reasoning, problem solving, collaboration, and application through active learning techniques that demonstrate how the course content has cross curriculum implications. Set and demonstrate clearly articulated learning goals so the students recognize the relevance to their academic and professional lives. Develop assessment and evaluation strategies that fairly measure student progress towards course objectives.
