

Adjunct Instructor – Fine Woodworking – Red Rocks Community College

Department: Fine Woodworking

Position Title: CAD/CNC Instructor

Position Type: Adjunct Instructor

Red Rocks Community College is seeking a part-time CAD/CNC Technology instructor!

We are a group of professional woodworkers whose mission is to develop students to think critically about design in their work, their works' historical context while creating well-crafted pieces. We do this by teaching traditional and modern woodworking techniques to best prepare our students for professional enterprises in the field. We have a very culturally diverse student population who's woodworking interests vary greatly. Our mission is to serve these student interests with integrity and dedication. We offer classes in CNC router and laser.

At RRCC we are committed to Inclusive Excellence. We strive to create a community in which everyone feels respected and valued for their unique talents and contributions, and where people from all backgrounds can achieve their goals. Red Rocks Community College acknowledges that inclusion and equity are multifaceted and complex concepts and that our efforts in these areas will require innovation, intention, and an institutional commitment to these principles.
