Red Rocks Community College
EMT Refresher Information
Spring 2018

The EMT Refresher course at Red Rocks Community College follows the National EMS Education Standards for recertification of an EMT certificate. It is approved by the Colorado Department of Public Health and Environment. It consists of 36 hours of didactic and skills instruction. Completion of the course satisfies all requirements for recertification of a Colorado EMT certificate, and the requirements for section 1 of National Registry EMT recertification. The course also includes verification of skills competency for both Colorado and National Registry EMT recertification.

Course options:

Section	Days of the Week	Class Times	Course Dates
