Dear Faculty:

Please consider adding this syllabus insert to your Summer, Fall, and Spring syllabi!

“Claro, RRCC’s scholarly journal, publishes students’ high-quality academic work. Publications look great on scholarship applications and resumes. If you do superior work on any certain assignment for this class, ask me if I would consider sponsoring it for Claro! Claro accepts any type of academic work, including research papers, charts/graphs, reports, reviews, websites, videos, etc. Go to <https://www.rrcc.edu/claro> to view online versions of the current and previous editions!”

Sincerely,

Barbra Sobhani
