

Bear Creek Newsletter

AWESOME AUGUST!

Welcome back to school! We are thrilled to see so many returning faces and some new ones as well!

A few important notes:

- Our program is located in the Bear Creek Cafeteria before and after school. Please ring the doorbell on the middle set of double doors to the café (on the back of the school).
- Please remember to bring your ID's every time you pick-up! Even if you or your contacts have picked up in the past, please understand that we have brand new staff and are trying to learn many new faces!
- We also ask that you please **text** or **email** us if your child will not be attending a regularly scheduled session. We need to track down all expected kiddos within 10 minutes of the afternoon bell or else report them missing to Jeffco Security. Knowing about absences in advance helps us focus our attention on the children in our care!
- We will walk Kindergarteners to and from class for the first semester. During that time, we will be encouraging independence skills so that they can walk on their own starting in January!

TESTING DAYS: 8/19 and 8/20

We are offering full day care on the testing days on Monday, August 19th and Tuesday the 20th! These are outside of your regular contract and require separate payment and registration.

To register you need to fill out the School Break request form. You can include up to 5 dates at a time. <https://www.rrcc.edu/school-age-childcare/registration-forms#calendars>

Snacks with RRCC SACC:

August 2019

We use snack as an opportunity to get to know the kids better, reinforce table manners and healthy food choices as well as teach skills that will help them with their independence!

Our snacks always include at least two food groups and feature healthy foods. We are a choice based program and often find that kiddos who give another try to foods they “don’t like” change their minds!

Children are always allowed to bring snacks from home or eat leftover lunch, providing that it doesn’t include soda or candy.

Check out our monthly snack calendar that is emailed with the newsletter and activity calendar to see what we have planned! We always try to be sensitive to food allergies - please let us know if we should be aware of any special needs for your child!

Medications and Allergies:

RRCC SACC, in accordance with State Licensing guidelines, requires proper documentation for any medication for the children in our care.

This is true for any substances used to treat conditions, including **lozenges, lotions, over the counter medications** and **prescription medications**. If you listed a medical condition that requires treatment, we do need paperwork and the medications in their original packaging with the prescription label, in our possession every time the child is in our care.

Learn more and find the forms on our website: <https://www.rccc.edu/school-age-childcare/nurse-consultant-medication>

Curriculum This month:

We will be building Tin Robots, crafting Zebras, playing gym games including Dragon’s, Princesses, and Knights, Cats in the Corner and Noodle Hockey! We will also be cooking Queso Dip and Apple Muffins!

Important Dates:

Tuition is always due on the 1st of every month, even on weekends.
Please pay online through CashNet
