• Homework

We have implemented a new homework reward system! For every day that a child completes one page of homework or 20 minutes of timed reading, the kids can earn a sticker. At a certain number of stickers, they earn privileges such as choosing group game, listening to music of their choice, or can pick a prize from the prize bin!

• Parents feedback

We added a poster for parents to write suggestions on regarding curriculum topics and projects you would like to see added to the program. Thank you for your participation in our fall survey. We look forward to our spring survey results to see if we have achieved the improvements, we are working towards!

Looking for a fun stay at home activity to do with your child?

1. Make a 3D snowflake, using supplies found at home.
<https://www.instructables.com/id/3D-Paper-Snowflake-In-Four-Easy-Steps/>
2. Make your own play dough.
<https://www.bestrecipes.com.au/recipe/play-dough-L926.html>
3. Do a melting ice science experiment using supplies found at home.
<https://artfulparent.com/melting-ice-science-experiment-with-salt-liquid-watercolors/>
4. Easy cranberry and toothpick sculptures. You can compete with your child to see who can make the tallest sculpture.
