September 2019

Welcome September!

Hello Kendallvue Families –

We are off to a great start here at RRCC SACC! Our new space is transforming and getting cozier by the day! Everyone is getting into the routine of being back in school and doing a great job with the afternoon transition to our building. We will continue to escort the kindergarten and first graders to program, from their class. This will be the standard practice for the remainder of the school year.

We want to remind you that CO Licensing requires that all kids be signed in and out each day, including both the **time** and a parent or guardian's **signature**. Licensing also requires written notice of absences. If your child will be absent from RRCC SACC, please text or email me to let me know.

We also ask that you continue to bring your ID's to pick-up daily as we are still getting to know everyone! Please remind all of your pick-up contacts about these policies as well!

Electronics Policy Reminder

If you have not yet received the new electronics policy, I have copies on the parent table. Please go over the rules with your child, complete the second page and return it to me. The kiddos cannot be on their devices until the agreement is signed by a parent.
