

Red Rocks School Age Child Care at Maple Grove Elementary:

April Newsletter

Happy April!

We are so glad it is finally Spring, the weather is warm and the days are longer! We have a lot of fun and exciting curriculum planned for the students this month. In the first week of April we will be exploring the Native American culture. Continuing right along, we will dive into the Greek culture. Midway through April, we are getting creative with our colorful week. The last 2 weeks we will learn about the environment and Earth day, and finish the month off with spells and literature during our Harry Potter week!

We will have a full day at the end of the month, and Flex Assessments will start out the Month of May. If you need care for these days, please sign up online.

We need your help!

Every year during the summer we decorate our program to make it more fun and creative for the kids, staff and families. We are striving to include both parents and kiddos in this process. If you have any special talents that can benefit our site decorating efforts, please let me know! Even if it is just donating your time, we will be happy to accept! We can use help with making decorations, setting up decorations, and can even accept item donations that will fit our theme. Additionally, if you have any old recycled materials such as boxes, toilet paper rolls/paper towel rolls, newspaper or anything else you think we can use please bring it in! If you are interested, please chat with me on site and I can give you more information!

Student Corner!

Wesley L. is our Spotlight Student for the Month of April!

Wesley. is a 4th grader in Mr. McAdoo's Class. She loves to play basketball, dance, draw and listen to music (especially Hamilton).

Q. What is your favorite thing about Spring?

A. Rainy weather because its not common for Colorado.

Q. What have you enjoyed most about the school year or Red Rocks so far?

A. The olders table, and when we went on a field trip to the Bowling Alley for school

Q. Are you excited for Summer? Why?

A. Yes! I get to hang out with my friends, go to different camps like overnight camp and I don't have school.

Q. If you were a crayon color what would it be and why?

A. Teal, because its my favorite color

Fall Registration!

It is hard to believe we have to think about the 2019-2020 school year already, but...

REGISTRATION OPENS APRIL 8th

Head on over to rcc.edu/sacc and register now!

If you have any questions regarding school year registration please let me know and I am happy to help!

SUMMER INFO:

Summer registration is online. We will be accepting contract changes starting Wednesday, May 1st.

Our Summer Orientation will be Wednesday, May 8 at 6:30pm. It will be held at Mitchell Elementary.

We highly encourage new families to attend but love seeing old families return too!

We have been having a lot of fun at Red Rocks lately. Our homework challenge has been a big hit amongst the kiddos, our olders are loving their new toys, games and activities, and Study Hall has been a huge success recently! We are excited to get outside more as the weather continues to warm up!
