

# Red Rocks School Age Child Care at Maple Grove Elementary:

# JANUARY NEWSLETTER

## Happy New Year!

January will be an exciting Month. We will start off 2019 with Winter Break Full Days at Mitchell Elementary. However, once we are back to our normal program schedule we have a lot of challenging and fun curriculum planned. We will be ringing in the New Year for a week, trying to stay warm during our Funky Fun in the Snow week, and testing our rhyming skills with Dr. Seuss Week! The Maple Grove staff is also excited to continue to grow and build our program. We will be introducing a new Homework challenge and trying out new clubs. Please let us know if you have any suggestions for what your students might like to do! We can't wait to see what the year has in store for us!

Lets make 2019 great!

Registration will be on our website:  
[www.rrcc.edu/sacc](http://www.rrcc.edu/sacc).

Similar to last summer, we will be going on field trips every Monday, Wednesday, and Friday (with one of those days being a swim day). Tuesday and Thursdays we remain on site and do different activities throughout the day.

**Our THEME:  
A Novel Summer**

We will be exploring and learning through literature. Our curriculum will be based on many popular books.

As we move closer, I will send out an exact date for registration to start!

If you have questions about summer registration, please let me know!

## Kindergarten Parents:

As a reminder to all kindergarten families, your child will start walking to program alone on January 10th. We have been working on transitioning them into this step and their teachers will also assist in giving reminders. It is always helpful for you to have a conversation with them to remind them to come straight to Red Rocks after school. We know that they are ready and excited for this next "big kid" step!
