

Red Rocks School Age Child Care at Maple Grove Elementary:

March Newsletter

Happy March!

We are very excited that spring is just around the corner. As the weather begins to warm up we will enjoy a little extra time outside! Our March curriculum will start out with a Spring weather theme and we will then move onto a math madness week. We will then move into an Over the Rainbow themed week and we will finish March with Spring Break and a March Madness theme!

Please remember, that despite the warmer days, to still send your kiddos with jackets and sweatshirts in case it gets cool outside. We want them to be prepared with the appropriate gear so they can enjoy fresh air and sun while running around and getting exercise.

Lastly, this month the students have both a full day off on March 15th, and Spring Break. If you need care for any of this time, please sign up online by filling out a request and making your payment.

Happy Spring!

Student Corner!

Darren J. is our Spotlight Student for the Month of March!

Darren J. is a 4th grader in Ms. Robinson's Class. He loves to play sports, board games and card games. His favorite sport is Football.

Q. What is your favorite thing about Spring?

A. I like the warmer weather and it's baseball season.

Q. What have you enjoyed most about the school year so far?

A. I like when we get days off, especially the snow day!

Q. What is your favorite thing to do at Red Rocks?

A. Play Scatter!

Q. If you were a crayon color what would it be and why?

A. Orange, because its my favorite color, and it is also a Broncos color!

DID YOU KNOW!?

Physical activity guidelines for school-age kids recommend that each day they:

-Get 1 hour or more of moderate and vigorous physical activity on most or all days

-Participate in several bouts of physical activity of 15 minutes or more each day

-Avoid periods of inactivity of 2 hours or more unless sleeping

At Red Rocks we make it a priority to go outside each day.

Our only exception is bad weather or extreme temperatures. We also offer gym time in the afternoon for 1 hour.

Typically, we find that students don't mind physical fitness as long as they are having fun!

It's always a busy day at Red Rocks! Whether the girls are styling hair, we're engineering with magnet tiles, or we are making music with cups—there is always something fun to do!
