

April Newsletter

Hoppy April!

We hope you had a wonderful Spring Break with your family and friends! We are hitting the ground running with what is left of the school year (it's not much!) and are enjoying program each day! We have a few upcoming dates that are important for you to look out for. Please check them out in the box below.

A HUGE thank you to everyone that filled out the survey I sent out in March regarding our family nights. It got a ton of helpful responses. Unfortunately we won't be able to host our family night this year due to group gathering restrictions, but we look forward to using this info to plan next year's family night.

Registration for our summer program at the RRCC Lakewood Campus has closed. We are so excited for an AWESOME summer with our families! If you are registered for the program and need to change your contract, we will allow those starting on May 1st.

Please let me know if you have any other summer-related questions!

Sign up by April 17

May 20: LAST DAY OF PROGRAM

May 22: LAST DAY OF SCHOOL

Chess has been really popular in program lately! We have been teaching kids from all grades how to play, and in turn they are teaching their friends! Did you know that learning how to play chess as a child has great benefits for their brains? It improves children's memory, creativity, problem solving skills, concentration, and it exercises both sides of the brain!
