

# Red Rocks School Age Child Care at Mitchell:

## January Newsletter

### Happy New Year Red Rocks!

We hope that you and your family had a great holiday. We will be easing back into the second half of the school year by finishing out Winter Break at Mitchell from January 2nd through January 8th. Regular before and after care resumes at Mitchell on January 9th.

As a reminder to all kindergarten families, your child will start walking to program alone starting January 14th. We have been working on transitioning them into this step and their teachers will also assist in giving reminders. It is always helpful for you to have a conversation with them to remind them to come straight to Red Rocks after school.

Please be on the lookout for an invitation to our Spring Family Night! If you have any suggestions for a theme or activity for this event, please let us know!

### DID YOU KNOW?

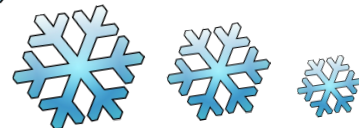

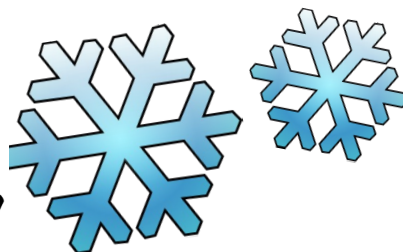

When schools have had to make adjustments to their art, music, and drama programs, afterschool programs can offer the opportunity to create, dance, play music, paint, draw, and much more! Supporting academic subjects is a major goal of our program, but we also strive to support the interests in creative and visual arts that your child(ren) have. During program time, we offer art, drama, and play a variety of music listening and playing opportunities.
