2018 Activities

RRCC SACC's curriculum:

You may notice that we like to pick themes for our activities each week. We may align these with the children's interests, a silly holiday or a concept as varied as cultural diversity. Red Rocks staff are also trained on how to lead an activity that stimulates thought through open ended questions, problem solving and hands on experience. Feel free to join in the fun if you happen to arrive and see them participating in an activity!
