

MARCH NEWSLETTER

SURVEY THANK YOU!

Thank you to all of you who took the time to complete our family surveys! We have evaluated answers, examined patterns, and are implementing strategies for improvement.

This past month, we have also been asking the children their opinions on RRCC SACC. We hope to share with you some of their answers in our next newsletter.

SUMMER IS COMING!

Our theme for this summer is 'Heroes vs. Villains'. Summer Camp will be taking place at Bear Creek K-8, Hackberry Hill and Maple Grove Elementary.

Registration will be opening February 20th for currently enrolled families! Keep an eye out for the email from sacc@rrcc.edu.

Our website will also be updated as more information becomes available:
<https://www.rrcc.edu/school-age-childcare/summer-information>

IMPORTANT DATES

2/20: Summer Registration opens for currently enrolled families.

3/18-3/25 Spring Break: Care will be at Kendallvue. Sign up online by 3/4.

4/26: Full Day of Care at Kendrick Lakes. Sign up online by 4/12.

5/23: Last day of care for school year

5/24 – 5/29: RRCC closed for Staff Training and Summer Prep

DID YOU KNOW?...

According to National Afterschool Association, over the past 10 years there has been a focused and well-researched shift for STEM education to be based on hands-on, inquiry-type activities. The afterschool environment is perfect for implementing these types of activities. With a non-traditional structure that allows for small group, multi-age learning opportunities and student-centered curriculum, afterschool programs are a place where process can take the front seat from content.

RRCC SACC utilizes STEAM projects every day! These projects are engaging, hands-on opportunities that allow the children to explore different concepts regarding science, technology, engineering, art, and math. Feel free to stick around and participate in an activity with us someday!
