**Registration opens  
Feb. 20th!**

***Locations:  
Bear Creek K-8  
Maple Grove  
Hackberry Hill***

***w: [rrcc.edu/sacc](http://rrcc.edu/sacc)***

### **SUMMER FAQ's:**

**What does the registration process entail?** We will email you the link to the registration form on Feb. 20<sup>th</sup>. Current families have 1 week priority before we open it to the community. We encourage you to register as soon as possible to ensure you reserve a space for every day that you need.

**What do I need at time of registration?** You will be asked to provide the usual information that is required from state licensing (Dr. info, Dentist info, and preferred hospital location), your preferred scheduled, guardian contact info, any special needs your child has (ie, allergies, IEP, etc.). The registration fee will also need to be paid prior to submission.

**What days do you go on field trips:** Typically, Monday, Wednesday, Fridays (with a couple exceptions noted on the field trip calendars).

**How do I know what field trips are planned?** As soon as the Site Manager's have booked the field trips, we will place the location on our field trip calendars on our summer website.

**How can I make sure my child is safe at the pool?** We have strict safety protocol that we follow to ensure safe swimming. These include swim tests to play in water deeper than their chest, a staff rotation plan that includes half the staff in the pool while the other half are outside supervising the water, and constant tracking of the children.

**What if I sign up for days and then need to change my schedule?** Contract changes are welcome between May 1<sup>st</sup> and July 15<sup>th</sup> provided you email [sacc@rrcc.edu](mailto:sacc@rrcc.edu) at least two weeks in advance. It is \$15.00 per child per contract change and there are no limits on the number of times that you can change.

**What will my child do all day when you stay at camp?** We have a fun summer planned full of STEAM (Science, Technology, Engineering, Art, Math) projects, team building games, gym group games, long-term projects, wheels days and water days. The program has a curriculum binder for each week that you are welcome to review.

**Do I have to sign up for the same days each week?** No. Summer registration allows you to only sign up for the days that you need. Your schedule can be as random as you need it to be.

**What are your summer program hours?** 6:30 am to 6:00 pm.

**What are the costs?** Registration is \$70 per child. This includes a camp shirt, backpack and water bottle for the summer. Tuition is \$46.50 for on-site days and \$53.50 for field trip days. Field trip costs are included in the tuition. The only extra costs are if your child forgets to bring a lunch or their RRCC SACC shirt on a field trip day. CCAP families have \$30 equipment fee in place of registration fee.

**When can I expect to receive summer camp details for my particular site?** Each program will be hosting a Summer Orientation in May. You can expect an email from your Site Manager with the specific date and time as summer approaches.
