

Variable Credit Courses

Only courses that require the delivery methods identified below are given variable credit. The credit will range from the minimum hours offered by a given college to the maximum offered by another college.

- Variable credit courses will have shared numbers and titles for each prefix.

Example: BUS 175: Special Topics: (Enter Title A)
 BUS 175: Special Topics: (Enter Title B)
 MAT 175: Special Topics: (Enter Title A)

- Variable credit numbers can be used for multiple courses with the same prefix (but with individual titles) and can appear multiple times on the same student transcript.
- Numbers in the 100s indicate freshman (first) year and numbers in the 200s indicate sophomore (second) year.
- Program titles (i.e., Nursing) should not appear in the title.
- Example: NUR 170 Clinical NOT NUR 170 Nursing Clinical

The following numbers have been reserved for the delivery methods below:

Delivery Method	Freshman Numbers	Sophomore Numbers	Notes
Clinical	170-174	270-274	
Special Topics: (list title)	175, 176, 177	275, 276, 277	These can be used more than once with the same prefix.
Seminar/Workshop: (list title)	178, 179	278, 279	These can be used more than once with the same prefix.
Internship: (list title)	180-184	280-284	
Independent Study: (list title)	185, 186	285, 286	These can be used more than once with the same prefix.
Cooperative Education: (could list title)	187	287	These can be used more than once with the same prefix.
Practicum: (could list title)	188	288	These can be used more than once with the same prefix.
Capstone: (could list title)		289	
Professional Development/ Continuing Education	190-199	290-299	
Service Learning	194	294	

Courses other than those listed above **may not** use variable credit.
