Over twenty-five years of providing training and support for child care providers, building capacity, and developing programs to enhance quality.

Professional Development Opportunities...

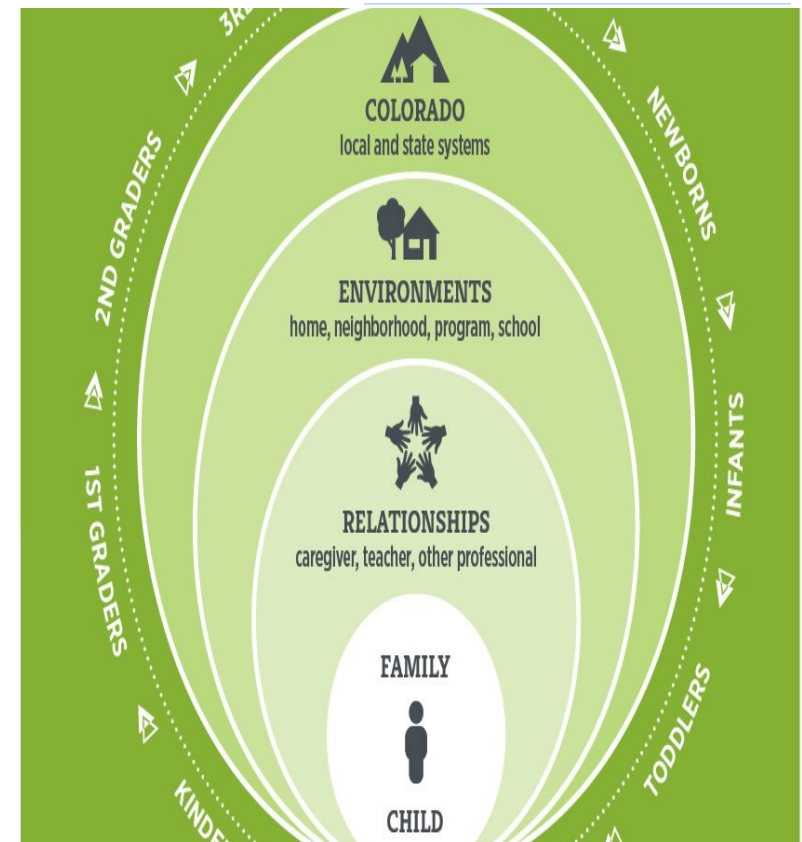

This bi-annual publication provides information about training sessions offered by our agency. All sessions are presented by highly qualified part-time staff. Certificates are provided to document your professional development, interactive learning experiences, current best practice information for early childhood professionals...all at affordable prices.

We look forward to offering some of the new PDIS courses in a Face-2-Face (F2F) format so that you are able to interact with a person and still receive your credits through the PDIS portal.

We are also available for consultation and provision of customized training sessions provided at community locations throughout our service delivery area, early childhood professional organizations, or child care centers.

For information on other trainings go to PDIS at:

<https://ecpd.costartstrong.org>

Training sessions are based on

Colorado's Core Knowledge and Standards for Early Childhood Professional Development

Child Growth and Development (Growth)

Family and Community Relations (Family)

Health, Safety and Nutrition (Health)

Cultural and Individual Diversity (Diversity)

Developmentally Effective approaches (DEA)

Professionalism (Prof)

Guidance (Guidance)

Administration & Supervision (Administration)

Provider Updates

Child Care Resource and Referral Agencies collect data on child care supply and demand. This data may be used to:

- * Help parents and providers understand average rates in given communities
- * Help families understand options that best meet their needs
- * Help inform recruitment efforts
- * Gain information needed to receive funding for quality improvement, scholarships and support providers
- * Help inform capacity building efforts
- * Help determine training and support needs
- * Help in communication and outreach to providers, including providing information about grants and other resources
- * Help us advocate on behalf of early childhood professionals

Each licensed facility is contacted once a year per our contract with the Colorado Office of Early Childhood.

Please take some time to assist us when contacted or call our provider line: 303-969-9666.

January 2018

**Mindfulness & Yoga Strategies for Early
Care Providers**

#P18-10

\$35.00

Saturday, **January 20**, 9:00a.m.—12:00p.m.

Room: TBD

Instructor: Jennifer Anton

This interactive workshop introduces child care providers to valuable brain-body tools using the practice of mindfulness and yoga. We will review nervous system influences on self-regulation and mood. Demonstrations include breathing activities, guided imagery, hand mudras, yoga poses and simple flows for circle time. Participants are encouraged to dress comfortably and practice activities.

***Please bring a yoga mat if you have one (or a towel)
and wear comfortable clothes.

Competencies:

Teaching Practices 7.2

January 2018

SACERS Training

P18-17

\$30.00

Wednesday, **January 23**, 6:30p.m.—8:30p.m.

Room: TBD

Presenter: Julia Brink

The Environmental Rating Scales are a common term in early childhood programs. Join us in an interactive and fun adventure into the School Age Environmental Rating Scale. Learn how to read the tool and how scoring works as well as get the most recent notes for clarification.

*****If you have a SACERS book, please bring it with you*****

Competencies:

Program Planning and Development 5.1

Program Planning and Development 5.2

February 2018

Safe Sleep

P18-11

\$25.00

Wednesday, **February 7**, 6:30p.m.—8:00p.m.

Location: Red Rocks Community College—Lakewood

Rooms: TBD

Instructor: Carmen Martinez

This course reviews how to use safe sleeping practices to reduce the risk of sleep-related infant death.

By the end of this course, you will be able to:

- Define sleep-related infant death
- Describe the behaviors that increase the risk of sleep-related infant death
- Describe safe sleep practices
- Describe Colorado child care licensing rules for infant safe sleep
- Explain why it's important to ensure programs have policies, educated staff, and the ability to provide resources to families

Competencies:

- **HSN01** Rules and regulations | Level 1
- **HSN01** Rules and regulations | Level 2
- **HSN10** Safety precautions | Level 1
- **HSN10** Safety precautions | Level 2

February 2018

Licensing Symposium

P18-12

\$10.00

Saturday, **February 24**, 10:00a.m.—2:00p.m.

Location: Red Rocks Community College—Lakewood

Rooms: TBD

Instructor: Child Care Innovations Licensing Staff

Join providers from the greater Metro area to get questions answered about Child Care Licensing Rules and Regulations.

What to Expect: The first hour will cover General Rules for Child Care Programs. **Lunch will be provided.** Followed by a two hour breakout session about family child care, child care centers and school age child care rules and regulations.

Competencies addressed:

PDL 5.2 Uses local, state and national professional resources to reflect on, evaluate, and improve professional practices.

PDL 6.1 Identifies and participates in professional opportunities to increase knowledge to improve practices.

Rules and Regulations will be provided.

Child care licensing specialists will be available for one hour after the training for individual questions.

March 2018

Exploring the ELDGs P18-13

\$35.00

Wednesday, **March 7**, 6:30p.m.—9:30p.m.

Location: Red Rocks Community College, Lakewood

Presenter: Julia Brink

Take a tour of Colorado's Early Learning and Development Guidelines. Participants will discover resources related to the ELDGs and how to share this wonderful information with families.

Competencies:

Child Growth and Development 1.2

Child Growth and Development 7.1

Engaging Young Children with Books

P18-14

\$35.00

Saturday, **March 10**, 9:00a.m.-12:00p.m.

Location: TBD

Instructor: Anna Weyeneth & Karen Walker

Participants will:

Explore elements of quality literature for young children
Become familiar with resources available at Jeffco Public library.

Observe a demonstration on reading to children with pre-management of reading expectations.

March 2018

Disaster Preparedness Planning

P18-15

\$35.00

Wednesday, **March 21**, 6:30p.m.—9:30p.m.

Room: TBD

Presenter: Child Care Licensing Specialist

This training reviews the various disasters that can occur and how to put plans in place to ensure the safety of everyone in a childcare program.

Participants will work through creating their own disaster plan as well as have their questions answered about disaster planning.

Competencies:

Health Safety and Nutrition 9.3

April 2018

Prevention of Shaken Baby and Abusive Head Trauma

P18-16

\$25.00

Wednesday, **April 11**, 6:30p.m.—8:30p.m.

Room: TBD

Presenter: Melinda Kurgan

This course fulfills a pre-service requirement for the State of Colorado training on Abusive Head Trauma or Shaken Baby Syndrome.

By completing this course, you will be able to:

- Define Abusive Head Trauma and describe how these injuries occur
- Describe the immediate symptoms and long-term effects of Abusive Head Trauma
- Identify factors that increase the risk of Abusive Head Trauma occurring
- Identify strategies to decrease the risk of Abusive Head Trauma in your child care program

Competencies:

- **CGDL06** Accommodations | Level 1
- **FCP02** Family input | Level 2
- **FCP12** Family networking | Level 1
- **FCP13** Community resources | Level 1

May 2018

ABC's of Science

P18-18

Presented by: Denver Museum of Nature and Science

\$45.00

Saturday, **May 5**, 9:00a.m.—12:00p.m.

Cybil has a Master's degree in Early Childhood Special Education.

This interactive workshop will cover topics such as: What is Science? What is a scientist? Using fiction to uncover science, Using non-fiction in class, and The power of observation.

Competencies:

Teaching Practices 3.1
Teaching Practices 24.1
Teaching Practices 17.2
Teaching Practices 18.2
Teaching Practices 24.2
Teaching Practices 44.1

May 2018

The "Air Traffic Control" System: Importance of Building Thinking Skills

P18-19

\$35.00

Wednesday, **May 9**, 6:30p.m.—9:30p.m.

Room: TBD

Instructor: Christine Cerbana

We can display self-control and curb our impulsive behavior as adults. We can follow multiple step directions and stay focused even if we are interrupted. We can make plans and set goals and monitor our progress in meeting those goals. We recognize and correct mistakes when necessary. These are thinking skills that we rely on to solve problems and make decisions—important basic skills required for daily life and success. Children need to develop these skills to meet challenges they will face in order to be successful.

Competencies:

Professional Development and Leadership 7.2

May 2018

Prevention of Shaken Baby and Abusive Head Trauma

P18-20

\$25.00

Saturday, **May 12**, 9:00a.m.—11:00a.m.

Room: TBD

Presenter: Melissa Brophy

This course fulfills a pre-service requirement for the State of Colorado training on Abusive Head Trauma or Shaken Baby Syndrome.

By completing this course, you will be able to:

- Define Abusive Head Trauma and describe how these injuries occur
- Describe the immediate symptoms and long-term effects of Abusive Head Trauma
- Identify factors that increase the risk of Abusive Head Trauma occurring
- Identify strategies to decrease the risk of Abusive Head Trauma in your child care program

Competencies:

- **CGDL06** Accommodations | Level 1
- **FCP02** Family input | Level 2
- **FCP12** Family networking | Level 1
- **FCP13** Community resources | Level 1

May 2018

Safe Sleep

P18-21

\$25.00

Saturday, **May 12**, 11:30a.m.—1:00p.m.

Room: TBD

Instructor: Sha'Sho'Nee' Yazzie

This course reviews how to use safe sleeping practices to reduce the risk of sleep-related infant death.

By the end of this course, you will be able to:

- Define sleep-related infant death
- Describe the behaviors that increase the risk of sleep-related infant death
- Describe safe sleep practices
- Describe Colorado child care licensing rules for infant safe sleep
- Explain why it's important to ensure programs have policies, educated staff, and the ability to provide resources to families

Competencies:

- **HSN01** Rules and regulations | Level 1
- **HSN01** Rules and regulations | Level 2
- **HSN10** Safety precautions | Level 1
- **HSN10** Safety precautions | Level 2

June 2018

Disaster Preparedness Planning Training

P18-22

\$35.00

Wednesday, **June 6**, 6:30p.m.—9:30p.m.

Room: TBD

Presenter: Child Care Licensing Specialist

This training reviews the various disasters that can occur and how to put plans in place to ensure the safety of everyone in a childcare program.

Participants will work through creating their own disaster plan as well as have their questions answered about disaster planning.

Competencies:

Health Safety and Nutrition 9.3

June 2018

Designing Environments for Play and Learning P18-23

Presented by: The Children's Museum of Denver

\$45.00

Wednesday, **June 13**, 6:30p.m.—9:30p.m.

Room: TBD

Presenter: Nicole Marie Ortiz, M.Ed. And Sarah Brenkert, M.S.Ed.

Nicole Ortiz is trained in Cognitive Coaching, ECERS-R observation, CLASS observation, and reflective supervision. As a Buell Fellow she focused on developing training around family engagement and now is a Doctoral Student. Sarah Brenkert is committed to developing environments and experiences that reveal the competence and power of young children.

Environments send powerful messages. How we furnish a room, select materials, and allocate time and space reveal what we believe about children, and what we value in our classroom community. This interactive workshop will scaffold, reflect and dialogue on how environmental design can promote comfort and self-regulation for children and invite meaningful exploration and engagement. A toolkit for mapping classroom design to the ITERS, ECERS, and other standard measures of environmental quality will be provided and explored.

Competencies:

Program Planning and Development 5.1

Program Planning and Development 5.2

Customized Training

Child Care Innovations is proud to offer customized training for programs throughout Colorado. We have a pool of skilled trainers who will provide training that is created just for your program needs.

Having an in-service day? Give us a call at 303-914-6274 and we will help you schedule trainers for that day.

Have a large staff and want them all to receive the same information? Give us a call at 303-914-6274 and let us know what we can do to help.

Let us help with your training needs. You can reach out to Julia Brink at Julia.brink@rrcc.edu or 303-914-6274.

Colorado Competencies

Colorado released Colorado's Competencies for Early Childhood Teachers and Administrators to support teachers and administrators in their professional development. These competencies are now reflected on training certificates accepted for renewal of licensure.

What are the content areas of Colorado's Competencies for Early Childhood Teachers and Administrators?

Child Growth and Development, Child Observation and Assessment, Family and Community Partnerships, Guidance, Health, Safety and Nutrition, Professional Development and Leadership, Program Planning and Development, and Teaching Practice.

The competencies are broken into four levels:

Level 1: Demonstrates basic skills and knowledge to support quality early childhood care and education.

Level 2: Demonstrates skills and knowledge from level 1 plus applies skills and knowledge to implement effective early childhood environments and experiences for young children.

Level 3: Demonstrates skills and knowledge of previous levels plus, designs, plans, and analyzes policies, procedures and practices that are optimal for young children.

Level 4: Demonstrates the skills and knowledge at previous levels plus: advances the field of early childhood education through advocacy.
