## Financial Aid Satisfactory Academic Progress (SAP) Appeal Packet

Purpose: Students who do not meet the Satisfactory Academic Progress (SAP) standards are ineligible to receive financial aid. **To appeal your Ineligible for Aid status, you must submit this form, along with any required documentation detailing the circumstances that interfered with your classes.** Acceptable circumstances may include illness/hospitalization of the student, death of an immediate family member, or other extreme circumstances **beyond your control**. In your appeal, you should indicate how you have overcome these issues and how you will be able to achieve SAP in future semesters. (Please note that this SAP Appeal only applies to the reinstatement of your financial aid and does not impact your eligibility to continue in your program of study.)

Lack of knowledge of the financial aid SAP standards is not an acceptable reason for an appeal. To review the SAP policy, visit <http://www.rrcc.edu/financial-aid/satisfactory-academic-progress>.

The Financial Aid Office will notify you of the SAP appeal decision through your RRCC-issued student email account within 14 days after we receive your completed appeal packet and all other required documentation. Check your student account on The Rock for any additional items that may be requested. During semesters when you are Ineligible for Aid, you are responsible for any tuition and fees charged to your account.

If your appeal is denied and you remain enrolled past the course drop deadline, you are responsible to pay all tuition and fee charges. **Submitting an appeal does not guarantee that you will be approved to receive financial aid at RRCC.** If your appeal is denied and you have additional information to provide, you have the option to submit a new appeal packet that will be reviewed by committee.

### Submitting an Appeal:

Your appeal will be reviewed within 10-14 business days after you submit a complete appeal packet to the Financial Aid Office.

The review of your appeal may take longer during peak periods. Appeal decision notifications are emailed to your RRCC-issued student email account.

The following may be considered when reviewing your SAP appeals:

1. Nature of the circumstances that interfered with your classes
2. Resolution of the circumstances that are mentioned in the appeal
3. Prior academic history (credits earned vs. credits attempted, GPA, repeated courses...)
4. Meetings with your Academic Advisor, along with their notes and recommendations
5. Number of previous SAP appeals and approvals
6. Number of credits remaining to complete your program
7. Quality of your appeal
8. Quality and thoroughness of supporting documentation
9. Number of previously attended institutions and your academic progress at each school

All documentation submitted to RRCC may be considered during the review of your SAP appeal.

I understand that appeal decisions are made on a case-by-case basis. If approved, I will be expected to complete 100% of my attempted credits during the semester for which my appeal was approved. Withdrawals and grades other than A, B, and C do not count as completed. I have read the RRCC SAP Policy available at <http://www.rccc.edu/financial-aid/satisfactory-academic-progress>. I understand the completion of this appeal does not guarantee I will be approved to receive financial aid at RRCC.

**STUDENT ACADEMIC PLAN FORM**

If your SAP appeal is approved, you will be placed on Probation for the current term or for the next semester you attend RRCC. You will be expected to adhere to the criteria below. At the end of each semester, your file will be reviewed to determine if you are eligible to continue your Probationary status. If you do not follow this Academic Plan, you may become Ineligible for Aid, and you will not be entitled to receive funds the following semester.

Please read the following expectations of SAP Probation, initial next to each item, and sign:

\_\_\_\_\_ I will pass all courses I attempt while on Probation.  
For financial aid purposes, courses counted as not passed include the following:  
F, AU, AW, W, I, U, U/D, U/F, SP and Z. Please report to our office any grade changes made to your transcript so that we may re-evaluate your SAP standing. Late grades may also impact your SAP status.

\_\_\_\_\_ If approved for exceeding 150% of the total number of credits required to earn my degree/certificate, I will take only the courses listed on my Degree Evaluation (those required to complete my program of study at RRCC).

Note: financial aid may not cover courses that you previously passed and are retaking for a higher grade.

Helpful Tip:  
In order to stay on track and avoid taking unnecessary courses, we highly recommend meeting with your Academic Advisor and using Degree Check, <http://www.rrcc.edu/advising/degree-check>.
