

How do I retrieve my test results and placements?

- Go to www.rrcc.edu and click on “The Rock” icon;
- You will need to sign in with your Student ID# and password;
- Then you will need to click on your Student Tab;
- Look for Degree Check at bottom left hand corner of the page and click on the “Degree Check!” icon;
- A screen appears with your placement test scores and any exemptions or prior college coursework that has been entered.
