

Red Rocks Community College Emergency Medical Services Fall 2020 Course Offerings

COVID – 19 Course Modifications – Fall 2019

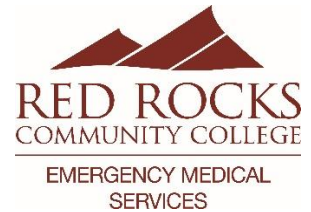

The EMS department will be offering its full complement of courses during the fall 2019 semester; however, the courses will be modified slightly in order to comply with the campus decision to provide remote education when possible.

Therefore we will be implementing the following modifications to our fall courses:

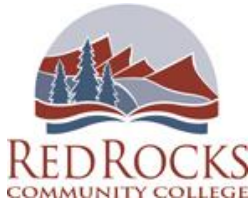

- **EMT Section 001: Monday and Wednesday 8 am – 5 pm**
 - Monday 8/17 and Wednesdays
 - The class will meet online during class time to conduct class
 - You may not meet the full day from 8 – 5, but plan for that. Your instructor will provide a schedule at the beginning of the course that will detail the times you will meet online with your classmates and instructor on each Wednesday.
 - Mondays beginning 8/24/2020
 - The class will meet on campus to conduct labs from 8 am – 5 pm
 - There will be occasional Mondays where you will meet online for class rather than having labs
- **EMT Section 002: Monday – Thursday 8 am – 12 pm**
 - Tuesdays – The class will meet on campus to conduct labs starting on 8/25/2020
 - There will also be a few Mondays and one Thursday you will meet on campus for labs
 - All other days – The class will meet online to conduct class
 - You may not meet the full time each day, but plan for that. Your instructor will provide a schedule at the beginning of the course that will detail the times you will meet online with your classmates and instructor each week.
- **EMT Section 004: Thursday and Friday 8 am – 5 pm**
 - Thursdays and Friday 8/21/2020
 - The class will meet online during class time to conduct class
 - You may not meet the full day from 8 – 5, but plan for that. Your instructor will provide a schedule at the beginning of the course that will detail the times you will meet online with your classmates and instructor on each Wednesday.
 - Fridays beginning 8/28/2020
 - The class will meet on campus to conduct labs from 8 am – 5 pm
 - There will be occasional Fridays where you will meet online for class rather than having labs
